

Rugby & Northampton Athletics Club: General Committee Meeting

Date: 6th November 2017, Creaton, 7.30pm

Present: Mark Exley, Angie Sumnall, Dave Burge, Paul Cooper, Karen Rushton, Adrian White, Amanda Gurney, Joe Horsley, Terry Akiens and Katie Roseblade.

Apologies: Janet Wright and Steve Reynolds

1. Talk by Graeme Wilson – Special Olympic Programme

Graeme provided the committee with an insight into the Special Olympic which is separate from the Paralympics.

There is a Special Olympics Northamptonshire Group, there to support clubs. A steering group is still in the process of being set up. Less certain what support is available in Warwickshire.

The Special Olympic are specifically for those with an IQ of 75 or below.

Important that these athletes train as part of the club and the club is open and inclusive.

2. Matters arising from meeting of previous meetings

2.1. Coaches Meeting: Should have been held on 3rd October but now postponed to January 2018.

3. Facilities

A). Northampton Track

Steeple chase pit leak – tested and no longer leaks

Strength and conditioning sessions now being run on Tuesdays – Full and well managed

Indoor throws training – every other Thursday using the Equestrian Centre.

Sprints group – using school

B). Rugby Clubhouse

Lease – RBC have acknowledged receipt of the changes to the lease following legal advice.

JW working on clubhouse development funding.

Track – lots of defects as maintenance isn't keeping pace with high usage. Numerous repairs needed before competition season starts. Moulton unlikely to be available for competitions this year

4. Competition

4.1 Forthcoming Hosted Events

14th January 2018 – Abington Park X Country match.

4.2. Coach Development Training

Free Throws coaching sessions coming up at Moulton College

Coaches meeting held at Rugby two weeks ago and new structure in place

Update required at next committee meeting on how things are going

Extra groups now training on Wednesday nights.

Reminder that no one can be put on payroll without the General Committees agreement!

4.3. Team Management

Lower age YDL still needs Team Manager

4.4. Official Recruitment and Training

New officials trained but still struggle to cover matches

4.5. Recent Competition Results

See details at bottom of meeting notes

4.6. Virgin Money London Marathon

From the applications received, the follow 4 athletes gained club places

Dave O'Leary

Michael Howell

Anne Hegarty

Neil Martin

There were 11 applicants in total for the 4 available places.

4.7. Track Etiquette

It was agreed that the wearing of headphones, earphones etc. was not permitted during training at either track. Suitable advice should be given by any coach to an athlete contravening this rule and it will be added to the website when possible.

5. Finance

5.1. Financial reports

Subscriptions – - exceeding budget with projected £90k for the year.

Transactions – Noted

Accounts to date – Noted

Actual TY vs LY – Noted.

5.2. Warm weather training

JW is £700 out of pocket due to non-payment of money by two athletes. We need to know who they are and what has been done so far to recover the debt before any decision on further action.

5.3. Sports Hall

Rugby normally enter and previously costed £500, likely to be around £2k and needs budget provision for future years.

5.4. Foundation

Aviva bid for £25k for pole vault bed etc underway.

Bids to the Foundation do need to be signed off by this committee rather than sent direct to Trust.
